#### HOW TO MAKE A DADAIST POEM

Take a newspaper.  
PRF - pair of Scissors.  
choose a article as long as you are planning to  
make your poem.  
Cut out the article.

Then cut out each of the words that  
make up this article and put them in a bag.  
shake it gently.

Then take out the scraps one after the other  
in the order in which they left the bag.  
copy each word.

It's a poem which like you,  
breaks you like a writer, infinitely  
original, with knowledge with a sensitivity that is  
charming enough beyond the understanding  
of the vulgar herd.
